

Lights of Peace - The Harbor Illumination

It is hard to believe that this will be the seventh year for the Harbor Illumination, celebrating 200 years of peace with Canada and Great Britain. This is an event that continues to capture the imagination and memories of islanders and visitors, something that connects us to our history. This spectacular annual event will take place at dusk on September 8th. From the Monument property to Stone Lab and along the shores of Gibraltar, flares will be deployed every 15 feet.

In order to have this event occur each year we need your help. Buy a flare or two for your lost loved ones or your family that enjoys life here in the Bass Islands. They cost just \$10 each and you can write a special quote or memory to be shared on our website.
